### **DETAILED ACTION**

Claims 1, 3-6, 8-13, 15-20 and 23-33 are now currently pending in the present application.

### ***Election/Restrictions***

Newly amended claims 1, 3-6, 8 and 33 are directed to an invention that is independent or distinct from the invention originally claimed for the following reasons: the presently amended claims are not limited to the previously examined ink composition and pouch comprising the ink composition. Rather, the noted claims are directed to a method of using the ink composition that is broader in scope than that originally examined.

Since applicant has received an action on the merits for the originally presented invention, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1, 3-6, 8 and 33 are withdrawn from consideration as being directed to a non-elected invention. See 37 CFR 1.142(b) and MPEP § 821.03.

### ***Allowable Subject Matter***

Claims 9-13, 15-20, 23-32 are allowed.

***Conclusion***

**THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
